

Latham Lifelong Pet Care, meeting the needs of the Cape Cod Community and Latham Centers' residents with disabilities. We offer Dog Walking & Pet Sitting, a win-win-win for animal welfare, individuals with special needs, and your personal finances.

Dog Walking: Conducted by a Latham resident, accompanied by a Latham Centers staff person. Create a schedule in which your dog continues to exercise while providing vocational opportunities for students and adults with complex special needs who benefit from animal therapy!

Pet Sitting: Pet boarding services at one of our Latham group residences.

Walks are offered between Orleans and Wareham, Mass.
