Latham Centers' therapeutic donkey program (also known as Asinotherapy) is a unique part of our vocational and therapeutic programming. Our students and individuals regularly care for and interact with our six therapy donkeys under the guidance and supervision of Latham's Donkey Trainer, Kris Thompson.

LathamCenters
Brighter futures since 1970

SPONSOR PACKAGES

Latham Centers Inaugural Donkey Dash will be a family-friendly 5K road race for all ages, with a celebration, great food, and a raffle following the race. We expect 150-200 participants at this event.

Our guests of honor, Esther and Esau the donkeys, will be there too – for petting and photo opportunities!
